Freedom from Fear: And Other Writings By Aung San Suu Kyi

Freedom from Fear - collected writings from the Nobel Peace prize winner Aung San Suu Kyi. Aung San Suu Kyi's collected writings - edited by her late husband, whom the ruling military junta prevented from visiting Burma as he was dying of cancer - reflects her greatest hopes and fears for her fellow Burmese people, and her concern about the need for international co-operation in the continuing fight for Burma's freedom. Bringing together her most powerful speeches, letters and interviews, this remarkable collection gives a voice to Burma's 'woman of destiny', whose fate remains in the hands of her enemies. Recipient of the Nobel Peace Prize and the Sakharov Prize for Freedom of Thought, and leader of Burma's National League for Democracy, Aung San Suu Kyi is one of the world's greatest living defenders of freedom and democracy, and an inspiration to millions worldwide. This book sits alongside Nelson Mandela's memoir Long Walk to Freedom. 'This book is bound to become a classic for a new generation of Asians who value democracy even more highly than Westerners do, simply because they are deprived of the basic freedoms that Westerners take for granted' The New York Times 'Aung San Suu Kyi's extraordinary achievement has been to confront the regime peacefully, reasonably and persuasively... [in] one of the most laudable continuing acts of political courage' Financial Times 'Such is the depth of passion and learning that she brings to her writings about national identity and its links with culture and language that she has attracted the admiration of intellectuals around the world' Sunday Times Aung San Suu Kyi is the leader of Burma's National League for Democracy. She was placed under house arrest in Rangoon in 1989, where she remained for almost 15 of the 21 years until her release in 2010, becoming one of the world's most prominent political prisoners. She is also the author of Letters from Burma.

Editorial Review

From Publishers Weekly

Aung San Suu Kyi was awarded the 1991 Nobel Peace Prize for courageous leadership of the Burmese people in their battle against authoritarian rule. The forthright condemnation of the regime that resulted in the activist's house arrest is clearly expressed in the essays in this volume. Part one--which describes Burma's political, intellectual and literary history--includes a moving yet unsentimental biography of the author's father, Aung San. Clearly a role model, though he was assassinated when she was only two, Aung San was a seminal figure in the Burmese struggle for independence in the 1940s. Part two contains a series of essays on democracy and human rights. Of particular interest is Aung San Suu Kyi's brief statement in response to a nomination for political office. Though under house arrest at the time, she accepted "out of respect for the decision taken by my party in accordance with democratic practices." Part three presents tributes to Aung San Suu Kyi by friends and scholars. Ann Pasternak Slater candidly recalls the human rights activist as a student at Oxford becoming initiated into Western ways. A visiting professor at Harvard, Aris is the author's husband. Photos not seen by PW.

From Library Journal

Nobel Peace Prize winner for 1991, Aung San Suu Kyi is currently under house arrest in Myanmar (Burma) and serves as the nation's conscience against an oppressive military regime. Compiled by her husband, Michael Aris, with a foreword by Vaclav Havel, this volume includes a wide selection of Aung San's writings--essays, letters, speeches, and interviews--as well as four tributary articles. However, more stress should have been given to her writings since 1988 when she entered political life. Her best essay, "My Father," is a biographical portrait of the father of modern Burma. (This has been separately published as Aung San of Burma by Kiscadale Publications and will be distributed in the United States by Seven Hills in February 1992.) Although her writings are repetitive and often more about her father than herself, people will want to read about the plight of a heroic figure trapped by a corrupt Third World regime.
