For introductory courses in Human Resource Management.

Foundations in Management Beyond the HR Department

Fundamentals of Human Resources Management supports human resources training for all students of management—not just HR managers. The text presents a wide range of HR topics within a single semester of material, and a wealth of functional examples and applications. *Fundamentals* is also the first text of its kind to make talent management processes a core study.

This **Fourth Edition** has been updated with practical personnel techniques, real company examples, and new material on business sustainability—and each chapter now touches on important recurring themes in management, including employee engagement tactics, small/global business management, employment law features, and positive employee relations.

Also available with MyManagementLab®

MyManagementLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.
