Editorial Review

Review

" This fourth volume has all the sinewy virtues of its predecessors -- terseness, accuracy, clear and (when called for) vivid writing." -- New York Herald Tribune " An excellent book, absorbing, dispassionate and crystal clear." -- The Nation " Terse, sinewy, meticulous, and sweeping. Morison's 15-volume history of the U.S. Navy in World War II was a milestone in the record of 20th-century arms... Admiral Morison's series has merited a central niche in the annals of WWII." - WWII History

Users Review

From reader reviews:

Marco Manuel:

Do you have favorite book? For those who have, what is your favorite's book? Guide is very important thing for us to find out everything in the world. Each book has different aim or perhaps goal; it means that e-book has different type. Some people feel enjoy to spend their time and energy to read a book.
