How to Reassess Your Chess: Chess Mastery Through Chess Imbalances By Jeremy Silman

How to Reassess Your Chess is the popular step-by-step course that will create a marked improvement in anyone's game. In clear, direct language, Silman shows how to dissect a position, recognize its individual parts and ultimately find the move that conforms to the needs of that particular situation. By explaining the thought processes that go into a master's choice of move, the author presents a system of thought that makes advanced strategies seem clear, logical and at times even obvious. *How the Reassess Your Chess* offers invaluable knowledge and insight that cannot be found in any other book.

Editorial Review

From the Inside Flap

How to Reassess Your Chess has long been considered a modern classic. This fourth and final edition completely rewritten and featuring all new examples takes Silman's groundbreaking concept of imbalances to a whole new level. Designed for players in the 1400 to 2100 rating range and for teachers looking for a ready-made chess curriculum, the author shares a mind-expanding journey that takes the reader through imbalance-basics, ensures that every detail of all the imbalances are mastered, and leaves the player/lover of chess with something he always wanted but never believed he could achieve: a master-level positional foundation.

A section on practical chess psychology (titled Psychological Meanderings) presents never-before-published ideas on psychological processes that hinder players of all levels, and gives easy-to-follow advice and techniques that will help anyone overcome these ubiquitous mental/emotional failings.

Hundreds of games brought to life by instruction-rich prose, and stories that offer humor while highlighting various lessons, vividly illustrate all the book's topics in a manner that's both personal and fun.

If the positional masterpieces of the chess legends have always been a mystery to you, if chess strategy has always been an unsolvable enigma, if you find yourself a positional pawn rather than a positional master, then How to Reassess Your Chess, 4th edition will prove to be a life-changing experience.

Jeremy Silman is an International Master and a world-class teacher, writer, and player who has won the American Open, the National Open, and the U.S. Open. Considered by many to be the game's preeminent instructive writer, he is the author of over thirty-seven books, including Silman's Complete Endgame Course, The Amateur's Mind, The Complete Book of Chess Strategy, and The Reassess Your Chess Workbook. His website (www.jeremysilman.com) offers fans of the game instruction, book reviews, theoretical articles, and details

Users Review
