The writer makes some research previous to write this book. This particular book very easy to read you may get the point easily after reading this book.

##### **Melissa Fernandez:**

As a college student exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Lonely Planet China (Travel Guide) can make you feel more interested to read.
