### Editorial Review

#### Amazon.com Review

If you think small-town life can be boring--think again. There are complex social rules: there are certain people with whom you fraternize and those you don't, and, of course, there is the all-powerful gossip. Everyone knows everything about everyone else. Don't they? That's what Maddie Farraday thinks until she finds a pair of black crotchless panties in her husband's car that don't belong to her. That's it; Maddie's had it. She's ready for change, and the first thing she's going to do is divorce her no-good, philandering husband Brent. But then everything goes haywire: Brent turns up dead, Maddie's daughter wants a dog, her best friend is suddenly acting very strange, and Maddie's secret boyhood crush, bad boy C. L. Sturgis, arrives in town after a 20-year hiatus--and he's as sexy as ever. You may laugh out loud at the wild and crazy antics in Jennifer Crusie's exceptional novel, but you'll exclaim with delight over the sizzling, dynamic, passionate affair between Maddie and her first love, C. L.

#### From Library Journal

Maddie Martindale has been the nice girl of her small town of Frog Point where gossip is major entertainment. Comfortably, if not happily, married to bigshot Brent, who is running for mayor, and mother to a sweet girl, Maddie seems to have a perfect life. But after she finds crotchless panties in her husband's car, Maddie's pristine reputation unravels. An imminent divorce, her husband's murder, and the precipitate return of Maddie's sexy high school flame, C.L. Sturgis, lead to her quick fall. C.L., the rebel bad boy who never dropped his torch for Maddie, has straightened out handsomely and plays a seductively vital role. The town is agog with talk of Maddie, the adulteress and murderer. An exciting, sensual romp, chock-full of mystery and intriguing characters, this light novel provides hours of fun reading. For all fiction collections.

#### From Booklist

Crusie has been writing romances for years, but now she turns her considerable talent to mysteries. She has a wicked sense of humor, keen insights into the complexities of modern relationships, and a way of making her characters seem genuine and her stories real. Frog Point, Ohio, resident Maddie Farraday has a rocky relationship with her husband, Brent, but nothing prepares her for the shock of finding a pair of crotchless panties under the front seat of his car. Then C. L. Sturgis, the steamy dreamboat she lost her virginity to, walks back into her life, and her husband suddenly disappears. When Maddie is accused of Brent's murder, she turns gumshoe, aided and abetted by sexy C. L. What happens next makes for a wonderfully fresh, funny, tender, and outrageous story that will delight fans of the comic mystery. There's a hint of Susan Isaacs in her writing, but Crusie is definitely one of a kind. A Literary Guild selection. *Emily Melton*
