## The Irony of Democracy: An Uncommon Introduction to American Politics

By Thomas R. Dye, Harmon Zeigler, Louis Schubert

The question at the center of the 15th edition of THE IRONY OF DEMOCRACY is "How democratic is American society?" While most American government texts address politics from a pluralist perspective, this text approaches the subject by addressing the theme of elitism and contrasting it with democratic theory and modern pluralist theory. As a result, this text helps students understand why the U.S. government works as it does.

### **Editorial Review**

#### **Review**

"The elite approach sparks students' interest. Their level of incredulity promotes more reading of the text and a fuller context of elitism. The language of the text is straightforward and understandable." -- Aaron Rodrigues, Cuesta College

"A much more interesting read than most of the other first-year American Government texts." -- Bob Peter, Tri-County Technical College
