### A Stone for Danny Fisher By Harold Robbins

As a teenager, Danny Fisher had all he ever wanted -- a dog, a grown-up summer job, flirtatious relationships with older women -- and a talent for ruthless boxing that quickly made him a star in the amateur sporting world. But when Danny's family falls on hard times, moving from their comfortable home in Brooklyn to Manhattan's squalid Lower East Side, he is forced to leave his carefree childhood behind. Facing poverty and daily encounters with his violent, anti-Semitic neighbors, Danny must fight both inside and outside the ring just to survive.

As his boxing becomes legendary in the city's seedy underworld, packed with wiseguys and loose women, everyone seems to want a hand in Danny's success. Robbins's colorful, fast-talking characters evoke the rough streets of Depression-era New York City. Ronnie, a prostitute ashamed of how far she's fallen and desperately in need of friendship; Sam, a slick bookie who wants to profit from Danny's boxing talent; and Nellie, a beautiful but lonely girl who refuses to believe Danny is beyond redemption -- each of whom has a different vision of Danny's future -- will help steer his rocky course.

Gritty, compelling, and groundbreaking for its time, *A Stone for Danny Fisher* is a tale of ambition, hope, and violence set in a distinct and dangerous period of American history. A classic, sexy bestseller by Harold Robbins, reintroduced to a whole new generation of readers.
