Sleeping with the Sultan (Sons of the Desert: The Sultans) By Alexandra Sellers

Sheikh Ashraf possessed the fortitude of a hundred sultans-still, he was mightily tempted by the seductive allure of the mysterious and ravishing Dana Morningstar. Never had a woman unravelled his restraint like the sumptuous television celebrity.

But for Ashraf, romance was unfathomable-his objective was to seize his family's stolen throne. In this power struggle, was Dana a courier of danger, an assassin's bait? Ashraf's instincts said she was an ally.... Still, to control the vixen, he would keep her close as a lover. Perhaps a night of passion would conquer all doubt!
