### Editorial Review

#### Amazon.com Review

Perhaps you think the *Star Wars* trilogy cannot be fully realized with audio alone. You think you'd miss the stunning visuals, the emotions of the actors, and the special effects. You think it would be a disappointment. As Yoda might say, "So impossible is it? So certain are you?" This production of *The Empire Strikes Back* was created by the same team that produced National Public Radio's amazingly successful presentation of *Star Wars: The Original Radio Drama* in 1981. Presented in 10 episodes, the longer format allows for a great expansion of the story and new scenes--though purists may be disappointed by the slight but significant change in the story line while the Rebels are on Hoth. Once again, Mark Hamill and Anthony Daniels are on hand to reprise their roles as Luke Skywalker and C-3PO, and this time they are joined by Billy Dee Williams reprising his part as Lando Calrissian. A fine cast performs the rest of the roles, notably John Lithgow as Yoda and the very compelling Perry King as the "slimy, double-crossing, no good swindler" Han Solo. Sound effects and John Williams's score from the movie have been remixed to help create a convincing soundscape--so good, you can really "see" the movie by listening to it. *The Empire Strikes Back: The Original Radio Drama* will thrill all *Star Wars* fans, whether or not they enjoy audiobooks. (Running time: 5 hours, 5 cassettes) --C.B. Delaney

#### Review

*Empire Strikes Back* [brought to you by HighBridge Audio] was recorded in 1983 for National Public Radio, once again utilizing Mark Hamill as Luke Skywalker, Anthony Daniels C3PO, Billy Dee Williams as Lando Calrissian and John Lithgow as Yoda. Including the stunning music of John Williams performed by the London Symphony Orchestra, the ten episodes on five cassettes will capture the listener's imagination. I defy anyone to strap on headphones, or go for a very long drive listening to this show, and not fall right into the story itself. Sound separation and fidelity is unsurpassed, and hey, the story's not too bad either. -- Baby Boomer Collectibles, August 1994

#### From the Inside Flap

Although they had won a significant battle, the war between the Rebels and the Empire had really just begun. Soon, Luke, Han, the princess and their faithful companions were forced to flee, scattering in all directions--the Dark Lord's minions in fevered pursuit....
