Editorial Review

From School Library Journal

PreSchool-Grade 3. A carefully translated version of the perennially popular 1964 Caldecott Medal winner. The playful and whimsical style of the original text is maintained from start to finish?from the night mischievous Max dons a wolf's suit to his landing in the place where the wild things roam, from his enthronement as King of these temperamental and pudgy beasts to his renunciation as leader for a steaming bowl of home cooking. Still an engaging fantasy after more than three decades, this extraordinary picture book strikes at the very essence of childhood urges for unlimited freedom without losing the security of home. A timeless beauty of a classic with the most imaginative of monster engravings. Perfect for reading aloud in this finely accomplished Spanish version.?Selene S. Vasquez, New York Public Library

Helen Williams:

In this period of time globalization it is important to someone to acquire information. The information will make anyone to understand the condition of the world. The condition of the world makes the information better to share. You can find a lot of referrals to get information example: internet, classifieds, book, and soon. You can observe that now, a lot of publisher in which print many kinds of book. Typically the book that recommended for your requirements is Donde viven los monstruos this guide consist a lot of the information from the condition of this world now. This specific book was represented how can the world has grown up. The dialect styles that writer make usage of to explain it is easy to understand. Typically the writer made some analysis when he makes this book. That is why this book appropriate all of you.

Michael Sweet:

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's heart or real their interest. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Donde viven los monstruos can make you experience more interested to read.
