Introduction to Food and Agribusiness Management By Greg A. Baker, Orlen Grunewald, William D. Gorman

This complete introduction to the entire field of agribusiness provides detailed coverage of the four basic topics of business: *accounting, financing, marketing, and management*,—as well as forms of business organization. Chapter topics include an overview of food and agribusiness management; understanding financial statements; financial analysis and planning; financing the agribusiness; capital investment analysis; strategic marketing; the marketing mix; operations management; managing organizations; and human resources management. For an understanding of the rapidly changing, increasingly industrialized and global area of agribusiness management.
