### Originals: American Women Artists By Eleanor Munro

At the end of the 1970s, Eleanor Munro embarked upon a series of interviews with some of the leading visual artists in the nation, including Georgia O'Keeffe, Alice Neel, Helen Frankenthaler, Louise Bourgeois, and Jennifer Bartlett. The resulting portraits led to a book as significant and exciting as the artists within it. Now Munro has added a new generation of women—including Kiki Smith and Julie Taymor—and a new introduction to her landmark entry in the literature of visual art, ensuring its status as an invaluable resource well into the twenty-first century.
