Pantyhose Killer Girls (French and German Edition) (English, French and German Edition) By Mathias Angelov

Every "pantyhose kill" is a delight for the eyes and ears. First she seeks the spot, for example, in the crotch. With one index finger, she pokes a little hole in the fabric between her legs. Crack! Her first index finger disappears, while the other one creeps stealthily toward the small opening from behind. She increases the pressure unlike the first threads yield to the tension with a rustling sigh. Then there's a loud crackle and a big hole gapes open, completely exposing everything. Every shooting is an erotic happening. And Elmer Batters, the old master of stocking photography, would have been delighted with Mathias Angelov's exciting photos. Very explicit; lots of photos of girls with their legs spread wide open. Full color. Texts in English, German & French.
