### Pretend You Love Me By Julie Anne Peters

In this fresh, poignant novel (originally published under the title *Far From Xanadu*), Mike is struggling to come to terms with her father's suicide and her mother's detachment from the family. Mike (real name: Mary Elizabeth) is gay and likes to pump iron, play softball, and fix plumbing. When a glamorous new girl, Xanadu, arrives in Mike's small Kansas town, Mike falls in love at first sight. Xanadu is everything Mike is not -- cool, confident, feminine, sexy.... straight.

Julie Anne Peters has written a heartbreakingly yet ultimately hopeful novel that will speak to anyone who has ever fallen in love with someone who can't love them back.
