Scandinavia in World Politics (Europe Today) By Christine Ingebritsen

This clear and engaging text offers a sustained appraisal of Scandinavia's foreign policy and role in the global economy in the post-Cold War period. In an era when good citizenship in the global community has become a diplomatic priority for many states, Christine Ingebritsen argues that Scandinavia has both the legitimacy and the domestic political attributes to be an important international player. She examines how social innovators such as Sweden and Finland seek to influence European integration and how Norway has cultivated a unique and innovative niche in its foreign relations. Scandinavia, she convincingly shows, has become a 'norm entrepreneur,' exercising its influence abroad through moral leadership—from sponsoring the Nobel Prize and participating in global peacekeeping efforts to providing generous foreign aid and monitoring human rights abuses in the international community. Demonstrating how Scandinavia has made its model of the good society viable on a global scale, this text offers a fascinating case of small-state success and individuality in an increasingly globalized world.

Editorial Review

Review

With so much in the world gone awry, Christine Ingebritsen's topical and comprehensive analysis of Scandinavia offers a keen examination of the many accomplishments and promises of Scandinavia for European and world politics. This impressive book also highlights the challenges that the Scandinavian countries are now facing. Its hopeful message points to the power of coupling good ideas with responsible political entrepreneurship in world politics. (Peter J. Katzenstein)

About the Author

Christine Ingebritsen is associate professor in the Department of Scandinavian Studies at the University of Washington.

Users Review

From reader reviews:

Jennifer McMorris:

Playing with family in a very park, coming to see the marine world or hanging out with pals is thing that usually you might have done when you have spare time, after that why you don't try point that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Scandinavia in World Politics (Europe Today), you are able to enjoy both. It is very good combination right, you still desire to miss it? What kind of hangout type is it? Oh occur its mind hangout people. What? Still don't get it, oh come on its identified as reading friends.
