### Zoe's New Job By JJ Argus

Zoe's new boss was an A-type personality who got what he wanted, and he wanted Zoe. He was crude, obnoxious, arrogant, and yet despite hating him, Zoe found herself unable to resist her own body each time he forced himself upon her. His skillful fingers and tongue made her cry out in pleasure, but he wanted more submission than that. He forced her to submit utterly, to crawl before him and his clients, and accept his punishments and demands without question. Gripped by shame, betrayed by her body each time he or his clients used and degraded her, she was trapped, unable to quit because of the needs of her family, slowly being turned into his bitch, his whore, his slave.
