### Behold A White Horse By Cisco Wheeler

"My people are destroyed for lack of Knowledge" (Hosea 4:6). This book is not meant for those who refuse to step out of their box, but instead cling onto their blinders, believing that the world is exactly as they have always been taught it is. Rather, it is specially written for those who discern that things are not exactly as they seem, and are dedicated to the pursuit of truth and knowledge. "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places"(Ephesians 6:12). "Behold a White Horse" is a roller coaster ride engaged in a myriad of related topics. The reader will be taken all the way back to ancient Babylon - the foundation of all secret societies, and continue on through Egypt and Rome. Other topics covered are ceremonial magick, kundalini power and evil spirits, the Talmud, Kabbalah, the apostasy of the Christian church today, alchemy, Papal Rome and the Catholic church, false prophets of the world, televangelists - wolves in sheep's clothing, & pagans in the pulpit." "Who changed the truth of God into a lie, and worshipped and served the creature more than the creator, who is blessed forever. Amen" (Romans 1:25) "This work is spiritually based, using many scriptures. It is the prayer of the author that through careful reading of these pages, the reader can connect the dots into a whole new level of discernment to help guard against demon traps and the many devices of Satan. Knowledge is power and the truth really does set you free."
