**Cummings Otolaryngology: Head and Neck Surgery Review** By Charles Cummings, Bruce Haughey, Regan Thomas, Lee Harker, Thomas Robbins, David Schuller, Paul Flint

More than 1,500 multiple-choice questions challenge readers' mastery of all of today's essential knowledge in otolaryngology. Every bit as authoritative and state-of-the-art as the four-volume master-work on which it is based?Cummings Otolaryngology - Head and Neck Surgery, 4th Edition?this Review is an outstanding study tool for certification or recertification, as well as an effective way for practitioners to ensure that their know-how is absolutely up to date.

- Offers more than 1,500 multiple-choice review questions?hundreds of them completely new?that provide a realistic approximation of the format, content, and difficulty posed by specialty exams.
- Presents answers at the back of the book, with rationales, so readers can check which of their responses are correct and which are incorrect.
- Follows the same chapter organization as Cummings Otolaryngology - Head and Neck Surgery, 4th Edition, so it's easy to find in-depth coverage of any topic in each chapter.
- Features content that is just as well-rounded, current, and relevant to contemporary practice as the material in the Cummings four-volume set.
