## Joel Osteen Jokes Volume 2

If you are already familiar with Joel's Jokes then you already know that what makes these jokes so cool is because they are short, clean and funny!

If you like to tell jokes yourself, you can use these in almost any scenario, without fear that any are "low class" (for lack of a better term).

Sure you may have heard a few of these before, but that doesn't mean that they aren't funny second time around. Does it?

Every week Pastor Joel Osteen likes to get started with something funny. Having a sense of humor is an important attribute for all of us to have. We all need the capacity to laugh. After all, joy is a gift from God.

We all know there's more than enough negative things in the world that we hear about each and every day, either through the news media or even in our own lives and the lives of those around us.

### Are You a Light Hearted Person?

I personally feel that we should always be looking for things that make us laugh. I like the feeling of being a "Light Hearted" person and I hope you do too.

And if you're anything like me, you'll enjoy telling these jokes just as much as reading them.

Joel states upfront that the jokes are not doctrinally correct... that they're just to make us laugh so I too want to mention that here.

Are you ready to get started?

Well then what are you waiting for? Let's get your giggle going.
