Sol LeWitt By Lucy R. Lippard, Rosalind Krauss, Mel Bochner, Dan Graham, Robert Smithson, Susanna Singer, John Hogan

Magnificent in scope, design and scholarship, this essential volume is the first comprehensive LeWitt monograph published since the artist's death, and the first overview since 2000. Besides gathering visual documentation of LeWitt's wall drawings and his sculptures-or "structures" as he preferred-the publication also includes his complete writings; spreads from his artist's books; plus interviews and essays by virtually every artist and author closely associated with LeWitt, among them Lucy Lippard, Rosalind Krauss, Mel Bochner, Dan Graham and Robert Smithson. One of the most important artists of the twentieth century, LeWitt at last receives the definitive treatment of his work in this volume.

In his 1967 "Paragraphs on Conceptual Art," Sol LeWitt set out the fundamental principle of his artistic practice: "In conceptual art the idea or concept is the most important aspect of the work.... The idea becomes a machine that makes the art." From the first wall drawing in 1968 until his death in 2007, LeWitt never ceased to develop new "machines," conceiving some 1,200 wall drawings and laying down the foundations of Conceptual and Minimalist art. LeWitt's wall drawings, always installed by assistants, eliminated any intermediary object (such as a canvas) between the work and its support, thereby dovetailing a sensuous material immediacy with a powerful Platonic detachment. His sculptural variations on grids, cubes and pyramids likewise project this moving simplicity and clarity.

Sol LeWitt (1928-2007) was born in Hartford, Connecticut, where he took art classes at the Wadsworth Atheneum. After receiving a BFA from Syracuse University he worked as a graphic designer in the office of architect I.M. Pei. In 1976, LeWitt cofounded the artists' book bookstore Printed Matter in New York, with Lucy Lippard. A retrospective of his wall drawings opened to the public in 2008 at MASS MoCA in North Adams, Massachusetts, where it will remain on view for 25 years.

Editorial Review

Review

Magnificent in scope, design and scholarship, this essential volume is the first comprehensive Sol LeWitt monograph published since the artist's death in 2007, and the first overview since 2000. Essays and interviews from LeWitt's colleagues round out the title. (Tali Jaffe *Cultured*)

Users Review

From reader reviews:

Morgan Woods:

This Sol LeWitt usually are reliable for you who want to certainly be a successful person, why. The reason of this Sol LeWitt can be on the list of great books you must have is usually giving you more than just simple looking at food but feed you with information that maybe will shock your preceding knowledge. This book is usually handy, you can bring it all over the place and whenever your conditions in the e-book and printed ones. Beside that this Sol LeWitt giving you an enormous of experience for example rich vocabulary, giving you tryout of critical thinking that we understand it useful in your day task. So , let's have it and revel in reading.

Julia Hanson:

The publication untitled Sol LeWitt is the book that recommended to you to read. You can see the quality of the reserve content that will be shown to anyone. The language that publisher use to explained their way of doing something is easily to understand. The article writer was did a lot of exploration when write the book, and so the information that they share to your account is absolutely accurate. You also might get the e-book of Sol LeWitt from the publisher to make you much more enjoy free time.

Judi Orta:

As a student exactly feel bored for you to reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Sol LeWitt can make you truly feel more interested to read.

Ronald Tanaka:

What is your hobby? Have you heard this question when you got students? We believe that that problem was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. And you also know that little person such as reading or as reading become their hobby. You have to know that reading is very important as well as book as to be the thing. Book is important thing to incorporate you knowledge, except your personal teacher or lecturer. You discover good news or update regarding something by book. Many kinds of books that can you take to be your object. One of them is actually Sol LeWitt.
