**The Dred Scott Case: Its Significance in American Law and Politics** By Don E. Fehrenbacher

Winner of the Pulitzer Prize in 1979, *The Dred Scott Case* is a masterful examination of the most famous example of judicial failure--the case referred to as "the most frequently overturned decision in history." On March 6, 1857, Chief Justice Roger B. Taney delivered the Supreme Court's decision against Dred Scott, a slave who maintained he had been emancipated as a result of having lived with his master in the free state of Illinois and in federal territory where slavery was forbidden by the Missouri Compromise. The decision did much more than resolve the fate of an elderly black man and his family: *Dred Scott v. Sandford* was the first instance in which the Supreme Court invalidated a major piece of federal legislation. The decision declared that Congress had no power to prohibit slavery in the federal territories, thereby striking a severe blow at the legitimacy of the emerging Republican party and intensifying the sectional conflict over slavery. This book represents a skillful review of the issues before America on the eve of the Civil War. The first third of the book deals directly with the case itself and the Court's decision, while the remainder puts the legal and judicial question of slavery into the broadest possible American context. Fehrenbacher discusses the legal bases of slavery, the debate over the Constitution, and the dispute over slavery and continental expansion. He also considers the immediate and long-range consequences of the decision.

### Editorial Review

#### Review

"Probably the most thorough study of any Supreme Court decision ever undertaken."--C. Vann Woodward, *The New York Review of Books*

"A masterful reexamination of some of the most complex and enduring American constitutional problems...I know of no other book on the slavery controversy that contributes so much to the specialist's knowledge yet is so readily accessible to the general reader."--David Herbert Donald, *Chronicle of Higher Education*

"Fehrenbacher's book is the best history of a landmark constitutional case ever written, but it is far more: it is a probing and lucid study of slavery in American political and legal history....A masterpiece of the historian's art." --Richard B. Bernstein, *Harvard Law Record*

#### About the Author

The late **Don E. Fehrenbacher** was William Robertson Coe Professor of History and American Studies at Stanford University.

### Users Review

#### From reader reviews:

##### **Roger Dupre:**
