Editorial Review

Review

Restoration Quarterly

"Knight is to be congratulated for his significant contribution to New Testament study. An excellent supplement and balance to the Dibelius-Conzelmann commentary, Knight's Pastoral Epistles will well serve teachers of the Greek text. And for preachers whose Greek is serviceable, Knight's commentary is arguably the one to turn to first."

Didaskalia

"An exegetical handbook to the Pastoral Epistles. . . . Well-written, clear, and concise . . . this commentary offers an excellent summary of modern scholarship on the Pastorals in addition to giving a sound and helpful discussion of the text by a seasoned scholar. It deserves to be on the reference shelf of every serious pastor and student."

The Bible Today

"Following the style of this fine series, Knight's commentary is most valuable for its detailed analysis of the Greek text of the epistles."

About the Author

He has taught Old Testament studies and Semitic languages in schools around the world and has served as coeditor of the International Theological Commentary series.
