Editorial Review

Review

Saul Kripke has thought uncommonly hard about the central argument of Wittgenstein's *Philosophical Investigations* and produced an uncommonly clear and vivid account of that argument...set out with all the clarity, incisiveness and economy that one expects of its author. (*Times Literary Supplement*)

Kripke's interpretation, and his arguments, deserve--and will repay--extremely careful attention. (*Philosophical Books*)

Review

"Saul Kripke has thought uncommonly hard about the central argument of Wittgenstein's *Philosophical Investigations* and produces an uncommonly clear and vivid account of that argument ... clearly and compellingly presented ... an exemplary piece of exposition." *Times Literary Supplement*

"A detailed examination of what is clearly a central theme in Wittgenstein's writings." *Times Higher Education Supplement*

"Kripke does bring a whole range of things into focus in a striking and provocative way ... What Kripke has achieved, I think, is the first successful translation of what Wittgenstein was saying into the idiom of the contemporary Anglo-American mainstream in philosophy ... full of excellent things." *Australasian Journal of Philosophy*

About the Author

Saul Kripke is McCosh Professor of Philosophy at Princeton University.

Users Review

From reader reviews:

Anthony Pippin:

A lot of people always spent their very own free time to vacation or perhaps go to the outside with them loved ones or their friend. Were you aware? Many a lot of people spent these people free time just watching TV, or perhaps playing video games all day long. If you want to try to find a new activity that is look different you can read some sort of book. It is really fun for you personally. If you enjoy the book that you just read you can spent the whole day to reading a book. The book Wittgenstein on Rules and Private Language: An Elementary Exposition it doesn't matter what good to read. There are a lot of people who recommended this book. These people were enjoying reading this book. If you did not have enough space bringing this book you can buy the actual e-book. You can m0ore effortlessly to read this book out of your smart phone. The price is not too costly but this book has high quality.

Cornelius Callaghan:
