A Visual Catalogue of Richard Hattatt's Ancient Brooches By Richard Hattatt

Richard Hattatt's collection of brooches ranges from the Iron Age to the Middle Ages, though most were Roman and Romano-British. Between 1982 and 1989 he wrote four books illustrating all the brooches, and in the fourth book he included a visual catalogue which provides a quick guide to the types and dates. It is this visual index - with drawings of all 2000 brooches - that is reproduced.
