Hot Head By Damon Suede

Where there's smoke, there's fire... Since 9/11, Brooklyn firefighter Griff Muir has wrestled with impossible feelings for his best friend and partner at Ladder 181, Dante Anastagio. Unfortunately, Dante is strictly a ladies' man, and the FDNY isn't exactly gay-friendly. For ten years, Griff has hidden his heart in a half-life of public heroics and private anguish. Griff's caution and Dante's cockiness make them an unbeatable team. To protect his buddy, there's nothing Griff wouldn't do... until a nearly bankrupt Dante proposes the worst possible solution: HotHead.com, a gay porn website where uniformed hunks get down and dirty. And Dante wants them to appear there-together. Griff may have to guard his heart and live out his darkest fantasies on camera. Can he rescue the man he loves without wrecking their careers, their families, or their friendship?

Editorial Review

Review

"5+ stars... Desert Island Keeper...Hot Head is a book you will want to savour...a plot that grips you and makes your stomach ache... an unforgettable story... gritty... raw... delicious... I felt as if I was living this story rather than reading it. Highly recommended." (*Reviews at Jessewave*)

"Up front, this is one of the best M/M romances I have read lately... It had that level of romanticism that makes your heart ache good... I strongly recommend this novel to all romance lovers, I'm sure you will love it as much as I did." (*Elisa's Reviews and Ramblings*)

"Hot Head is not your run-of-the-mill gay romance...the hottest homoerotic sex scenes I've read, and yet...the story is about none of that and so much more than that...This book completely fulfilled all of my requirements for a 5-star romance read... If you are ready to be scorched, read it!" (Viv Santos at *Queer'd Magazine*)

"Awarded the Golden Nib: for books that knock our socks off!

Magical and beautiful even when it gets down and dirty and completely gutter-talk raunchy. A raw, emotional, very hot, worth-every-penny read. I've re-read it three times now, and it should get old, but it hasn't. That's Golden Nib worthy!" (*Miss Love Loves Books*)

Named as one of the "Top 100 Romance Novels of All Time" by Goodreads in 2014

Users Review

From reader reviews:

Joseph Chandler:

This book untitled Hot Head to be one of several books which best seller in this year, here is because when you read this guide you can get a lot of benefit on it. You will easily to buy this kind of book in the book retail store or you can order it through online. The publisher with this book sells the e-book too. It makes you more readily to read this book, as you can read this book in your Cell phone. So there is no reason for your requirements to past this guide from your list.

Frank Quintana:

Precisely why? Because this Hot Head is an unordinary book that the inside of the publication waiting for you to snap this but latter it will shock you with the secret it inside. Reading this book beside it was fantastic author who also write the book in such incredible way makes the content interior easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of benefits than the other book have got such as help improving your proficiency and your critical thinking means. So , still want to hold up having that book? If I were being you I will go to the publication store hurriedly.

James Martin:

Do you have something that you enjoy such as book? The e-book lovers usually prefer to select book like comic, limited story and the biggest some may be novel. Now, why not hoping Hot Head that give your satisfaction preference will be satisfied by simply reading this book. Reading practice all over the world can be said as the opportunity for people to know world a great deal better then how they react toward the world. It can't be mentioned constantly that reading practice only for the geeky person but for all of you who wants to always be success person. So , for all of you who want to start reading as your good habit, it is possible to pick Hot Head become your current starter.

Morris Sampson:

Your reading sixth sense will not betray an individual, why because this Hot Head book written by well-known writer whose to say well how to make book which might be understand by anyone who all read the book. Written throughout good manner for you, still dripping wet every ideas and producing skill only for eliminate your own personal hunger then you still doubt Hot Head as good book not just by the cover but also through the content. This is one e-book that can break don't evaluate book by its cover, so do you still needing one more sixth sense to pick this kind of!? Oh come on your reading sixth sense already said so why you have to listening to a different sixth sense.
