Jewels of the Sun (Gallaghers of Ardmore Trilogy) By Nora Roberts

Book One of the Gallaghers of Ardmore Trilogy

In Gallagher's Pub, where the fire is burning low and the pints are waiting, #1 New York Times bestselling author Nora Roberts has a story to tell...

Determined to reevaluate her life, Jude Murray flees America to take refuge in Faerie Hill Cottage, immersing herself in the study of Irish folklore and discovering hope for the future of the magical past.

Finally back home in Ireland after years of traveling, Aidan Gallagher possesses an uncommon understanding of his country's haunting myths. Although he's devoted to managing the family pub, a hint of wildness still glints in his eyes—and in Jude, he sees a woman who can both soothe his heart and stir his blood. And he begins to share the legends of the land with her—while they create a passionate history of their own.

Editorial Review

Amazon.com Review

In the small village of Ardmore, Ireland, Gallagher's pub is the center of the lively seaside community and the home of three passionate siblings: Aidan, Shawn, and Darcy. As a world traveler and a barkeep, the eldest brother Aidan has just about seen and heard it all, but when a quiet professor from Chicago enters his tavern, he is instantly intrigued--and certain that there is more to Jude Murray than what meets the eye.

Jude has returned to her grandmother's ancestral home to sort out her thoughts, know her heart, and "find Jude F. Murray in six months or less." After a life of deliberate security, Jude finds herself recovering from a failed marriage and a disappointing career. With the pretense of a research expedition, Jude leaves her life in Chicago and moves into the charming house on top of the faerie hill. Surrounded by the awesome scenery and relieved by the simplicity of life, Jude excuses her visions of ghosts and faeries as signs of her mental recovery.

But the inhabitants of Ardmore, and Aidan Gallagher in particular, don't dismiss these apparitions with such convenient logic, and Jude learns to listen more carefully to the messages in the world. As Aidan and Jude draw closer to each other, Jude struggles to discover, balance, and define the complex parts of her soul.

In the character of Jude Murray, Nora Roberts has created a sophisticated woman whose internal development from skittish recluse to confident lover is realistic and convincing. Carefully avoiding the "good man is a solution to all problems" plot, Roberts lets Jude and Aidan interact and develop individually, as well as together as a couple. While this modern tone is refreshing, it feels a bit at odds with the supernatural, faerie themes. As this is the first in a series about the Gallagher siblings and the faerie legend, perhaps these thematic contradictions will sort themselves out in the subsequent novels. --Nancy R.E. O'Brien

From Publishers Weekly

In her recent romance trilogies, Roberts (Carnal Innocence, etc.) has combined ghosts with lively humor and vivid sensuality. In this first volume of her newest series, Jude Murray, an American psychologist, has come to spend six months at Faerie Hill Cottage on the Irish coast to study Irish folklore and escape her dreary, uneventful life in Chicago. Faerie Hill is haunted by the 300-year-old ghost of Lady Gwen, who turned down the proposal of Carrick, king of the fairies, and is doomed to wander alone until three couples can find happiness. These three will include the engaging Gallagher siblings (Aidan, the eldest, Darcy and Shawn), who operate the local pub. Aidan, who senses the fire beneath Jude's controlled exterior, is smitten with the visiting American. His passion for her draws him away from his responsibilities at the pub as he share with her the lore of the land. Roberts, a storytelling wizard, is at her best here, creating a fantastic setting for the continuing romantic tales of the Gallaghers. (Nov.)

From Library Journal

Even the reigning queen of romance novels is entitled to an off book. A superior reading might have endowed this story with the needed depth, but Patricia Daniels was not equal to the task. Jude Murray is in Ireland to escape her life in Chicago and possibly find herself in the bargain; Aidan Gallagher runs his family's pub in Ardmore. He's done his running but beneath the surface is a sense of destiny unfulfilled. Then he meets Jude and understands everything. Unfortunately, Daniels's near monotonic reading makes it difficult to lose oneself in the already fanciful story. Her concentration on proper diction is negated by her

giving every word in a sentence equal weight, thus rendering the sentence meaningless. Her Irish accent is better, but with that she loses her diction skills. Despite the popularity of the author, libraries would do well to pass on this one.

From reader reviews:

Rina Reese:

Do you have favorite book? When you have, what is your favorite's book? Guide is very important thing for us to learn everything in the world. Each book has different aim or perhaps goal; it means that book has different type. Some people truly feel enjoy to spend their time to read a book. They are really reading whatever they get because their hobby will be reading a book. What about the person who don't like reading a book? Sometime, person feel need book after they found difficult problem as well as exercise. Well, probably you'll have this Jewels of the Sun (Gallaghers of Ardmore Trilogy).

Ronna Rutledge:

Your reading 6th sense will not betray an individual, why because this Jewels of the Sun (Gallaghers of Ardmore Trilogy) guide written by well-known writer whose to say well how to make book that may be understand by anyone who else read the book. Written with good manner for you, still dripping wet every ideas and producing skill only for eliminate your personal hunger then you still question Jewels of the Sun (Gallaghers of Ardmore Trilogy) as good book not only by the cover but also from the content. This is one guide that can break don't assess book by its cover, so do you still needing one more sixth sense to pick this specific!? Oh come on your studying sixth sense already told you so why you have to listening to a different sixth sense.

Deanna Thompson:

Many people spending their time period by playing outside together with friends, fun activity with family or just watching TV the whole day. You can have new activity to shell out your whole day by studying a book. Ugh, think reading a book really can hard because you have to bring the book everywhere? It fine you can have the e-book, getting everywhere you want in your Smartphone. Like Jewels of the Sun (Gallaghers of Ardmore Trilogy) which is obtaining the e-book version. So , try out this book? Let's find.

Rubin Bourne:

Is it an individual who having spare time and then spend it whole day by watching television programs or just telling lies on the bed? Do you need something totally new? This Jewels of the Sun (Gallaghers of Ardmore Trilogy) can be the answer, oh how comes? It's a book you know. You are so out of date, spending your time by reading in this completely new era is common not a geek activity. So what these textbooks have than the others?
