Principles of International Criminal Law By Gerhard Werle, Florian Jessberger

Principles of International Criminal Law has become one of the most influential textbooks in the field of international criminal justice. It offers a systematic and comprehensive analysis of the foundations and general principles of substantive international criminal law, including thorough discussion of its core crimes. It provides a detailed understanding of the general principles, sources, and evolution of international criminal law, demonstrating how it has developed, and how its application has changed. After establishing the general principles, the book assesses the four key international crimes as defined by the statute of the International Criminal Court: genocide, crimes against humanity, war crimes, and the crime of aggression.

This new edition revises and updates work with developments in international criminal justice since 2009. It includes new material on the principle of culpability as one of the fundamental principles of international criminal law, the notion of terrorism as a crime under international law, the concept of direct participation in hostilities, the problem of so-called unlawful combatants, and the issue of targeted killings. The book retains its highly-acclaimed systematic approach and consistent methodology, making the book essential reading for both students and scholars of international criminal law, as well as for practitioners and judges working in the field.

Editorial Review

Review

Review from previous edition: "... the book's structure and style allow for its use both as a reference work and as a practitioner's manual ... the author's scholarly modesty in naming his treatise Principles of International Criminal Law deserves a particular mention. Professors Ian Brownlie and Eric David had both previously adopted similar titles for their classical monographs on the law of peace and the law of armed conflict. If the experience of those modestly-named volumes is any guide, Principles of International Criminal Law may also have a very successful future ahead."

--

Journal of International Criminal Justice

About the Author

Gerhard Werle, *Professor of International Criminal Law, Humboldt-Universität zu Berlin*, Florian Jessberger, *Professor of Criminal Law, University of Hamburg*

Gerhard Werle is Professor of International Criminal Law at Humboldt-Universität zu Berlin. He has been a visiting professor at various universities worldwide, including Columbia Law School, New York; Kansai University, Osaka; University of Sydney; University of Technology, Sydney; University of Cape Town; and University of the Western Cape, Cape Town, where he is Director of the South African-German Centre for Development Research and Criminal Justice. Professor Werle was a member of the Working Group on the Introduction of a Code of Crimes Against International Law established by the German Federal Ministry of Justice, and is a member of the Expert Committee of the German Red Cross on International Humanitarian Law. His works on international criminal law, transitional justice, and modern legal history have been published widely in many languages.

Florian Jessberger is Professor of Criminal Law at the University of Hamburg, where he serves as the Director of the Institute of Criminal Justice Studies, and a Vice Dean of the Faculty of Law. Jessberger holds law degrees from the University of Cologne and the Humboldt-University Berlin. Before joining Hamburg University's Faculty of Law in 2010, Jessberger was the Lichtenberg Professor of International and Comparative Criminal Law at Humboldt-University in Berlin.

Users Review

From reader reviews:

Micheal Moore:

The book Principles of International Criminal Law can give more knowledge and information about everything you want. Why must we leave a good thing like a book Principles of International Criminal Law? Some of you have a different opinion about guide. But one aim that will book can give many information for us. It is absolutely right. Right now, try to closer with the book. Knowledge or information that you take for that, it is possible to give for each other; you may share all of these. Book Principles of International Criminal Law has simple shape however you know: it has great and big function for you. You can appearance the enormous world by available and read a book. So it is very wonderful.

John Vandorn:

What do you about book? It is not important with you? Or just adding material when you really need something to explain what you problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to complete others business, it is make one feel bored faster. And you have free time? What did you do? Everybody has many questions above. They need to answer that question since just their can do in which. It said that about book. Book is familiar on every person. Yes, it is appropriate. Because start from on pre-school until university need that Principles of International Criminal Law to read.

Evelyn Montgomery:

The e-book untitled Principles of International Criminal Law is the book that recommended to you you just read. You can see the quality of the book content that will be shown to a person. The language that writer use to explained their ideas are easily to understand. The copy writer was did a lot of investigation when write the book, and so the information that they share for your requirements is absolutely accurate. You also might get the e-book of Principles of International Criminal Law from the publisher to make you more enjoy free time.

Mitchell Peed:

This Principles of International Criminal Law is great publication for you because the content that is certainly full of information for you who else always deal with world and have to make decision every minute. That book reveal it data accurately using great plan word or we can state no rambling sentences inside it. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but tough core information with splendid delivering sentences. Having Principles of International Criminal Law in your hand like getting the world in your arm, details in it is not ridiculous just one. We can say that no e-book that offer you world throughout ten or fifteen tiny right but this e-book already do that. So , this is certainly good reading book. Heya Mr. and Mrs. stressful do you still doubt that?
