Editorial Review

From [Booklist](#)

Gabor has composed books, audios, and a video on initiating conversations, talking with loved ones, and making new friends. Now he addresses 101 trying situations and delivers specific responses for the timid and the taciturn. His scenarios range from asking for a raise to canceling the wedding. The speaker's perspectives range from that of employee to supervisor, co-worker to co-worker, spouse to parent. Plenty of general advice on communication fills the early section; but readers will probably go straight to their current problem for specifics. A desk reference "Dear Abby." *Denise Perry Donavin*
