Editorial Review

Review

*"I haven't read a book front to back in a long time but *The Guardian* was one that I just couldn't put down! I knew Robbie Cheuvront was a very creative person from writing songs with him over the years. But as a Novelist, Robbie has, without a doubt, taken his craft to a whole new level!"* - Richie McDonald, Former Lead Singer of BNA recording artists LoneStar, writer of multiple BillBoard #1 songs, and CMA and ACM award winner.

"Having been privileged to work with Robbie co-writing songs and recording in the studio, I'm certain anything with his name on it deserves a closer look--he is the definition of multitalented." - Chris Waters, Grammy Award winning writer of multiple BillBoard #1 songs, and also an award winning columnist and critic (Graduate of the Culinary Institute of America) for a food magazine in the San Antonio area.

This book was "unputdownable" for me! From the moment I started reading, I was on the journey with Anna. I felt her successes and her losses. The story is well written and the characters seem real. The Epilogue was a thrilling point of expectation and promise for me! I recommend this to all readers. Groups will find discussion questions at the end with many other points of discussion throughout the book.

Hairbreadth escapes, the deceptions of power-hungry church leaders, murders, even entry into the ancient holy of holies make for a riveting tale. Recommend to those who enjoy action-packed Christian fiction.

(Elaine Raxon *CBA Retailers* 2011-09-01)

The main characters are so lifelike the reader cheers them on during every step of the quest. The dialogue is natural; the settings are vivid; and, by the story's end, there is a good Christian lesson to be learned. I highly recommend this book for fans of adventure stories.
