**The Infinite Sea: The Second Book of the 5th Wave** By Rick Yancey

**The riveting follow-up to the *New York Times* bestselling *The 5th Wave*, hailed by Justin Cronin as “wildly entertaining.”**

How do you rid the Earth of seven billion humans? Rid the humans of their humanity.

Surviving the first four waves was nearly impossible. Now Cassie Sullivan finds herself in a new world, a world in which the fundamental trust that binds us together is gone. As the 5th Wave rolls across the landscape, Cassie, Ben, and Ringer are forced to confront the Others’ ultimate goal: the extermination of the human race.

Cassie and her friends haven’t seen the depths to which the Others will sink, nor have the Others seen the heights to which humanity will rise, in the ultimate battle between life and death, hope and despair, love and hate.

Praise for *The 5th Wave*

“Just read it.”—*Entertainment Weekly*

“A modern sci-fi masterpiece.”—*USA Today*

“Wildly entertaining . . . I couldn’t turn the pages fast enough.”—Justin Cronin, *The New York Times Book Review*

“Nothing short of amazing.”—*Kirkus Reviews* (starred review)

“Gripping!”—*Publishers Weekly* (starred review)

“Everyone I trust is telling me to read this book.”—*The Atlantic Wire*

## Editorial Review

From School Library Journal

Gr 9 Up—The majority of the first-person narration in this second book in "The 5th Wave" series (Putnam) shifts between Ringer, a beautiful teen with deadly aim, and tough-but-tender Cassie, who thought she was the lone surviving human. A third-person viewpoint is used for Evan, an alien who has shifted his allegiance in the face of true love and Ben (Zombie), badly injured but still in command of the ragtag paramilitary group of creatively nicknamed children and teens. The action springs back and forth in place and time as readers learn why Poundcake no longer speaks, how Evan is related to super-strong Grace, and why chess is important to Ringer. The "infinite sea" can be made of snow, of tears, of the floaty feeling of semi-consciousness, and, more than once, it is a sea of blood. Yancey keeps the pressure on, as Cassie and Ben seek to protect the younger humans and outsmart the devious Silencers. Ringer struggles to maintain her humanity in the face of nanotechnology and Evan struggles with turning his back on what his species has been working toward for thousands of years. Yancey's writing can be melodramatic ("The world will be consumed by the crushing dark"; "The Others didn't invent death; they just perfected it"), but will keep action-craving readers enthralled. With a 5th Wave movie in the works, and alien questions left unanswered, expect readers to be interested in this series for the foreseeable future.—Maggie Knapp, Trinity Valley School, Fort Worth, TX

Review

### Praise for *The Infinite Sea*

"Heart-pounding pacing, lyrical prose and mind-bending twists . . ."—*The New York Times Book Review*

"Impressively improves on the excellent beginning of the trilogy."—*USA Today*

"An epic sci-fi novel with all the romance, action, and suspense you could ever want."—*Seventeen.com*

\*"This gut-wrenching sequel to *The 5th Wave* careens on a violent course of nonstop action."—*Publishers Weekly*, **starred review**

\*"A breathless, grueling survival story . . . Yancey's prose remains unimpeachable—every paragraph is laden with setting, theme, and emotion."—*Booklist*, **starred review**

"A roller-coaster ride of a sequel."—*Kirkus Reviews*

"It doesn't just move the story forward, but even opens up new possibilities in the previous book."  
—*Geekdad.com*

### About the Author

Rick Yancey ([www.rickyancey.com](http://www.rickyancey.com)) is the author of the *New York Times* bestseller *The 5th Wave*, *The Infinite Sea*, several adult novels, and the memoir *Confessions of a Tax Collector*. His first young-adult novel, *The Extraordinary Adventures of Alfred Kropp*, was a finalist for the Carnegie Medal. In 2010, his novel, *The Monstrumologist*, received a Michael L. Printz Honor, and the sequel, *The Curse of the Wendigo*, was a finalist for the *Los Angeles Times* Book Prize. When he isn't writing or thinking about writing or

traveling the country talking about writing, Rick is hanging out with his family.

## **Users Review**
