**The Scarlet Letter (Bantam Classics)** By Nathaniel Hawthorne

Hailed by Henry James as "the finest piece of imaginative writing yet put forth in the country," Nathaniel Hawthorne's **The Scarlet Letter** reaches to our nation's historical and moral roots for the material of great tragedy. Set in an early New England colony, the novel shows the terrible impact a single, passionate act has on the lives of three members of the community: the defiant Hester Prynne; the fiery, tortured Reverend Dimmesdale; and the obsessed, vengeful Chillingworth.

With **The Scarlet Letter**, Hawthorne became the first American novelist to forge from our Puritan heritage a universal classic, a masterful exploration of humanity's unending struggle with sin, guilt and pride.

### Editorial Review

From School Library Journal

Gr 8 Up—Actress Elizabeth McGovern reads this acceptable abridgement with precise, clear diction. Her expressive voice is pleasant, effectively using breath sounds and pauses to recreate dramatic moods. Her usually quick tempo keeps the text from being ponderous, but it can be slower when necessary. Given the time period of the original work, her formal tone is appropriate. Her speech changes slightly for the different characters, but there is not much dialogue. The abridgement retains the continuity of the story. Consider purchasing this version for special education students who can't handle the longer, original text.—Claudia Moore, W.T. Woodson High School, Fairfax, VA
