## **Editorial Review**

### **Review**

“This fast-paced legal thriller by the award-winning author of *The Clarinet* is destined to grab the attention of American readers for its complexity of plot, its depth of character development, and for the nitty-gritty portrayal of London’s seamier side. Fans of the BBC’s numerous popular crime series can now curl up with similar sophisticated fare in book form.” (Library Journal (starred))

“A propulsive legal thriller. The Machiavellian plotting, Old Bailey fireworks, and almost Dickensian richness of character and setting make this a standout.” (Publishers Weekly (starred review))

“*The Verdict* speaks in a Grisham-esque tongue with a British accent.” (The New York Times)

“Great courtroom novels come along infrequently, and I keep a list that I often hand out on speaking occasions in my community. The last book I added to the list was *The Lincoln Lawyer*, published in 2005; 10 years later, *The Verdict* is my newest addition. This enjoyable and educational read is one of the best books of the year (or any year) and gets my strongest recommendation.” (Bookreporter)

“A fast-moving British legal thriller filled with tension and surprises. No reader (one hopes) will root for the defendant. But they'll fret over Flynt, the underdog clerk who has so much to prove. The suspense never lets up in this terrific courtroom drama. Fans of John Grisham will love it. It's definitely movie material.” (Kirkus Reviews (starred review))

“A terrific legal thriller in which long-buried secrets acquire the force of deadly weapons. The writing is vivid and energetic, and Stone has John Grisham’s flair in the court scenes.” (The Guardian)

“This is a taut, skillfully written, and engaging legal thriller. Major characters are very sharply drawn, and Stone’s insights into the English legal system are plausible and eye-opening.” (Booklist)

“Nick Stone has been described as the London John Grisham. This is terrific stuff. An unrelenting narrative grip right up to its courtroom climax. *The Verdict* is a rattling good read.” (The Daily Express, Best Books of the Year)

“A worthwhile read. *The Verdict* earns a spot on my bookshelf.” (Minneapolis Star Tribune)

“Terrific stuff. An unrelenting narrative grip right up to its courtroom climax.” (The Daily Express)
