Angels By Marian Keyes

The internationally bestselling author of *Last Chance Saloon*, the incomparable Marian Keyes is back with a delirious celebration of life, love, and sisterhood in La-La Land. The only one of her siblings not burdened with the "diva gene," Maggie Walsh always prided herself on her normalcy -- until she caught her irreproachable husband having an affair and was sacked from her dependable job. Suddenly her perfectly organized existence has become a perfect mess. Rather than stew in her sorrow, she decides, for the first time in her life, to do something daring -- and flees to the shelter of her best friend Emily in the faraway wonderland of Los Angeles. In this mecca of tanned, beautiful bodies, unsvelte, uncool Maggie is decidedly a fish out of water. Yet overnight, she's mixing with film folk, pitching scripts, even experimenting with sex -- and discovering that the end of a marriage is not the end of everything. And before she's through, neither the City of Angels nor Maggie Walsh will ever be the same again.

Users Review

From reader reviews:

Dorothy Byers:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each publication has different aim or maybe goal; it means that publication has different type. Some people sense enjoy to spend their time and energy to read a book. They are really reading whatever they get because their hobby is definitely reading a book. Consider the person who don't like reading through a book? Sometime, individual feel need book once they found difficult problem or exercise. Well, probably you will want this Angels.

Kendrick Mills:

This Angels book is not really ordinary book, you have after that it the world is in your hands. The benefit you obtain by reading this book is actually information inside this e-book incredible fresh, you will get information which is getting deeper you read a lot of information you will get. This specific Angels without we comprehend teach the one who reading it become critical in imagining and analyzing. Don't become worry Angels can bring when you are and not make your case space or bookshelves' come to be full because you can have it in your lovely laptop even cellphone. This Angels having good arrangement in word and layout, so you will not experience uninterested in reading.

William Kozak:

As people who live in the particular modest era should be update about what going on or info even knowledge to make these individuals keep up with the era which is always change and advance. Some of you maybe can update themselves by examining books. It is a good choice for yourself but the problems coming to a person is you don't know what one you should start with. This Angels is our recommendation so you keep up with the world. Why, since this book serves what you want and wish in this era.

Lisa Robinson:

The ability that you get from Angels is a more deep you looking the information that hide inside words the more you get serious about reading it. It does not mean that this book is hard to be aware of but Angels giving you buzz feeling of reading. The author conveys their point in certain way that can be understood through anyone who read the idea because the author of this guide is well-known enough. This book also makes your personal vocabulary increase well. Therefore it is easy to understand then can go to you, both in printed or e-book style are available.
