Brainy Baby : Animals : Apes to Zebras (Ages 6 months to 3 years) From The Brainy Baby Learning Library

The Brainy Baby video series was created by a team of educators and child psychologist to encourage cognitive development in children between the ages of six months and three years. Using engaging music (often based upon classical themes), colorful graphics, and footage of playful animals, Brainy Baby: Animals helps exercise your child's thinking patterns, while allowing them to have fun at the same time.
