Gross Motor Function Measure (GMFM) Self Instructional Training CD-Rom By Mary Lane, Dianne J. Russell

This CD-Rom is compatible with Windows 2003 and may not work on later systems

The Gross Motor Function Measure (GMFM) Self-Instructional Training CD-ROMs are designed to enable practitioners to train independently as reliable users of the printed Gross Motor Function Measure. They include details of the administration and scoring of all 88 items in the GMFM, as well as several video examples for each. Examples have been chosen to reflect a variety of scores and to highlight significant training principles. This CD-ROM set will be of interest to professionals using the GMFM for clinical or research purposes who want to gain a better understanding of the main testing, scoring and interpretation issues. The two CDs will take anywhere from 30 minutes to several hours to explore, depending on the user's purposes. The value of the system is the ability of the user to work through the program at their own pace and to return as needed to items previously viewed.

Editorial Review

Users Review

From reader reviews:

Steven Parrish:

In this 21st centuries, people become competitive in every way. By being competitive today, people have do something to make these survives, being in the middle of the actual crowded place and notice by surrounding. One thing that sometimes many people have underestimated the item for a while is reading. Yeah, by reading a publication your ability to survive raise then having chance to remain than other is high. For you who want to start reading the book, we give you this specific Gross Motor Function Measure (GMFM) Self Instructional Training CD-Rom book as starter and daily reading guide. Why, because this book is greater than just a book.

Sylvia Silva:

Do you one of people who can't read pleasant if the sentence chained inside the straightway, hold on guys this particular aren't like that. This Gross Motor Function Measure (GMFM) Self Instructional Training CD-Rom book is readable by simply you who hate those perfect word style. You will find the facts here are arrange for enjoyable reading experience without leaving possibly decrease the knowledge that want to provide to you. The writer of Gross Motor Function Measure (GMFM) Self Instructional Training CD-Rom content conveys objective easily to understand by lots of people. The printed and e-book are not different in the information but it just different such as it. So , do you nonetheless thinking Gross Motor Function Measure (GMFM) Self Instructional Training CD-Rom is not loveable to be your top listing reading book?

Sheila Rivera:

Playing with family inside a park, coming to see the marine world or hanging out with buddies is thing that usually you will have done when you have spare time, then why you don't try thing that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Gross Motor Function Measure (GMFM) Self Instructional Training CD-Rom, you can enjoy both. It is good combination right, you still would like to miss it? What kind of hang type is it? Oh can happen its mind hangout folks. What? Still don't obtain it, oh come on its referred to as reading friends.

Eugene Hughes:

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's heart

and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Gross Motor Function Measure (GMFM) Self Instructional Training CD-Rom can make you sense more interested to read.
