About the Author

Bishop Dennis Leonard is the founder and Senior Pastor of Heritage Christian Center in Denver, Colorado. Through God and the leading of the Holy Spirit, the church has accomplished what many others have found almost impossible to achieve: attracting and retaining one of the most ethnically diverse congregations in America. Described by his peers—as well as the greater spiritual and secular community—as a true leader and an example to follow in the ministry of reconciliation between cultures and denominations, Bishop Leonard is a visionary who answers the call of missions both overseas and in the United States. The multi-cultural ministry that God began and established at Heritage Christian Center is now being taken to the world
