Pregnant Butch: Nine Long Months Spent in Drag By A. K. Summers

First pregnancy can be a fraught, uncomfortable experience for any woman, but for resolutely butch lesbian Teek Thomasson, it is exceptionally challenging: Teek identifies as a masculine woman in a world bent on associating pregnancy with a cult of uber-femininity. Teek wonders, “Can butches even get pregnant?”

Of course, as she and her pragmatic femme girlfriend Vee discover, they can. But what happens when they do? Written and illustrated by A.K. Summers, and based on her own pregnancy, *Pregnant Butch* strives to depict this increasingly common, but still underrepresented experience of queer pregnancy with humor and complexity—from the question of whether suspenders count as legitimate maternity wear to the strains created by different views of pregnancy within a couple and finally to a culturally critical and compassionate interrogation of gender in pregnancy.

Offering smart, ambitious art, this graphic memoir is a must-read for would-be pregnant butches and anyone interested in the intersection of birth and gender, as well as a perfect queer baby shower gift and conversation starter for those who always assumed they “got” being pregnant.

Editorial Review

Review

"This comic's strength is its ability not to devolve into the oversentimentality or overseriousness that marks many pregnancy narratives. Instead, it forges ahead and finds complex personal meaning, and great inner strength, in the experience of bringing a child into the world. Summers's voice is fresh, honest, biting, and funny."—*Library Journal*

"Summers is a good storyteller [and] in the best way, this story is a coming of age story. [...] It's hard not to melt when you meet her present family at the end of the book." —*Buzzfeed*

"Having a baby is a macho and delicate business, and A.K. Summers' *Pregnant Butch* shows how it's done with exquisite glory."—Jennifer Camper, editor of *Juicy Mother*

"I very much enjoyed reading *Pregnant Butch*. It's thoroughly engrossing and often very funny. I found a surprising amount to identify with, even though I will never be a butch lesbian or pregnant. Ms. Summers' book is happily recommended."—Howard Cruse, author of *Stuck Rubber Baby*

"Poignant and accomplished, A.K. Summers' *Pregnant Butch* is also fascinating. Revealing what it was like to be butch and pregnant, she questions how we inhabit roles that get at the core of our sense of self—and how we make them our own even when they are freighted with convention. Furthermore, Summers's deft artwork has great appeal: her line is a charming cross between Hergé and the Hernandez brothers." —Hillary Chute, author of *Graphic Women: Life Narrative and Contemporary Comics*

A.K. Summers' *Pregnant Butch* is a Tintin lookalike who embarks down the path to motherhood. If you made it through that sentence without your head spinning, then you're ready for one of the weirdest, wonderful-est pregnancy memoirs out there. Employing a variety of art styles (think Hergé meets Jaime Hernandez, with a little Jack Kirby thrown in for fun), Summers has crafted a wry, wise tale that guarantees a chuckle on every page. *Pregnant Butch* is an unsentimental, no-holds-barred book filled with insight and genuine feeling. (And you know you want to see Tintin pregnant!)—Josh Neufeld, author of *A.D.: New Orleans After the Deluge*

About the Author

A.K. Summers began working on *Pregnant Butch* in 2005, following the birth of her son, and, in 2012, serialized it on webcomics site Activate Comix. A longtime artist, Summers is the creator of *Negativa: Chicago's Astute Lezbo Fantasy Mag*, and was included in Dennis Cooper's *Discontents: New Queer Writers*. Summers lives with her partner and son in Providence, Rhode Island.

Users Review

From reader reviews:

Edward Florez:

The reserve with title Pregnant Butch: Nine Long Months Spent in Drag has a lot of information that you can

learn it. You can get a lot of benefit after read this book. This specific book exist new know-how the information that exist in this reserve represented the condition of the world right now. That is important to yo7u to be aware of how the improvement of the world. This kind of book will bring you within new era of the glowbal growth. You can read the e-book in your smart phone, so you can read it anywhere you want.

Gayle Anderson:

The reason why? Because this Pregnant Butch: Nine Long Months Spent in Drag is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will surprise you with the secret the item inside. Reading this book close to it was fantastic author who all write the book in such remarkable way makes the content interior easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of benefits than the other book get such as help improving your talent and your critical thinking technique. So , still want to hesitate having that book? If I ended up you I will go to the guide store hurriedly.

Mark Montague:

Your reading 6th sense will not betray a person, why because this Pregnant Butch: Nine Long Months Spent in Drag guide written by well-known writer whose to say well how to make book which might be understand by anyone who all read the book. Written within good manner for you, leaking every ideas and writing skill only for eliminate your own hunger then you still hesitation Pregnant Butch: Nine Long Months Spent in Drag as good book not only by the cover but also from the content. This is one publication that can break don't judge book by its handle, so do you still needing one more sixth sense to pick this!? Oh come on your reading through sixth sense already said so why you have to listening to yet another sixth sense.

Ella Norman:

Many people said that they feel uninterested when they reading a publication. They are directly felt the idea when they get a half portions of the book. You can choose the book Pregnant Butch: Nine Long Months Spent in Drag to make your own reading is interesting. Your own skill of reading skill is developing when you including reading. Try to choose simple book to make you enjoy to study it and mingle the sensation about book and studying especially. It is to be first opinion for you to like to open a book and study it. Beside that the guide Pregnant Butch: Nine Long Months Spent in Drag can to be your friend when you're really feel alone and confuse with the information must you're doing of their time.
