### What Happened From The Cross To The Throne By E. W. Kenyon

Kenyon had a relationship with God that transcends time. He was an author in tune with the Spirit of God. He doesn't give the reader a lot of fluff or opinion but instead he backs up every statement with the Word of God. This book is deep and yet very understandable, it is modern and yet a classic. This book will unveil to you the cross in all its glory and open the veil of the Holiest of Holies unto you. Read it slowly... because this book unveils great understanding of who Jesus is and what he still does for the believer. He is our Great High Priest!

This thrilling book is an unveiling of the unveiling Pauline Revelation, and shows what God did in Christ from the incarnation until He sat down at the right hand of the Majesty on High. Long hidden truths are revealed which will thrill and astound you. The church has never fully understood the spiritual significance of what happened when Christ died on the cross, was buried and rose again on the third day. All that the average Christian has seen is the physical suffering of Christ. Few realize the deep truths that are given us in the Pauline Revelation. Until God revealed these truths to Paul, no one understood why Christ came... why the death on the cross was necessary... no one knew what happened during those three days that his physical body lay in the tomb before the resurrection. Even the disciples, who had walked with Jesus, did not fully realize who He was, why He came, what He was to suffer and what they were to gain by His suffering. They did not know what happened on the cross, or during the three days and nights before His resurrection, but we must know of these three days, for this is the thing that will build faith into us. These vital truths must be known by every child of God if he or she is to live an overcoming life.
