Cutty Sark: The Last of the Tea Clippers By Eric Kentley

Cutty Sark was the greatest of the tea clippers and an iconic British institution. This new work describes the eventful history of this celebrated ship from her 1869 construction, her famous voyages, dramatic fire, painstaking restoration, and glorious reopening in April 2012. Developed with the *Cutty Sark* Trust, the book provides a chronological narrative along with detailed features on crew accounts, log entries, pieces on seamanship, ports and cargoes and broader tall ship culture, as well as an opportunity to focus on artifacts and the fittings of the clipper ship. It includes rare and previously unpublished historical images from the ship's collections and those of the National Maritime Museum.

Editorial Review

Review

"This is a truly magnificent book. First, the lavish production of the cover and book itself is wonderful. The wealth of photographs come in all different sizes and provide visual details that help you better experience the text. The way the writer weaves the tale of the ship's origins, design and construction, her many voyages and career, preservation, and current renovated state flow seamlessly through the book. Aside from being a cherished monument representing all Clipper ships that sailed the world, *Cutty Sark* participated in the Great Tea Races from China, and although she set most of her sailing records transporting wool from Australia to the docks of England. As you read this book you learn every detail of her career, visit exotic ports around the world, and feast your eyes on black-and-white pictures and many two-page, full-color spreads. It's hard to get past the fold-out plans of Sails, Masts and Rigging, Deck-plans, and Stowage in the hull without studying them first! These fold-outs give a wonderful and complete view of this complex sailing vessel." **?Pirates and Privateers**

About the Author

Eric Kentley is a former curator at the National Maritime Museum, and assistant director of London's Design Museum. Now a freelancer, he assisted with the plans for the conservation of the *Cutty Sark* and authored the exhibition content. His books include *Eyewitness Boat*, *Cornwall's Bridge* and *Viaduct Heritage* and *Discover the Titanic*. He lives in south London.

Users Review
