In Search of the Proverbs 31 Man: The One God Approves and a Woman Wants By Michelle McKinney Hammond

The Secrets to Finding, Nurturing—or Being—an Irresistible Man.

Never before has the search for real connection between the sexes been more important—or more confusing. Single women want to know what they should ask for—not settle for—in a mate, while married women wonder how they can nurture godly character traits in their husbands. Men, both single and married, wonder what women *really* want. Both genders are long on questions and short on answers.

Where Can Men and Women Go for Help?

In Proverbs 31, Scripture presents a powerful composite of a virtuous woman. But what about the virtuous man—what does the Bible say about him? Popular Bible teacher Michelle McKinney Hammond tackles this timely and important question, digging into Scripture to study key men—from Adam to Christ himself, the ultimate bridegroom—to learn what God requires of husbands and men, and to lay out a trustworthy model of how men and women can live in healthy, fulfilling relationship.

Find out what you can do to identify, nurture—or become—a truly godly man and mate in *In Search of the Proverbs 31 Man*.

“This is not a man bashing book, but one that champions the original design for their lives. Women need real men.” —Michelle McKinney Hammond

Editorial Review

Review

“Men, if you want to become a truly godly man and husband, *In Search of the Proverbs 31 Man* is a must-read. Women, if you want to know what to look for and nurture in a lifelong mate, this book is for you, too.”
–**Dr. Greg Smalley, president and CEO, Smalley Relationship Center**

“Michelle McKinney Hammond tells it like it is, without pretense or sugarcoating. In her own unique style, she relays simple truths concerning the essence of masculinity from God’s perspective. Every man wants to be ideal, but not many know what it takes to be God’s ideal man. *In Search of the Proverbs 31 Man* identifies God’s heartbeat concerning men. It points out the fact that a false understanding of manhood can be damaging not only to the individual, but to those for whom he cares a great deal. This book shows you that the Proverbs 31 man is *not* damaged goods; instead, he’s a ‘polished diamond’ in the eyes of the Great Diamond Maker.”

–**Dr. Creflo A. Dollar, CEO of World Changers Ministries and author of *The Successful Family***

“Michelle McKinney Hammond never wastes even a second of your time. She skirts no issues, never runs from controversy, and consistently engages her readers in authentic and entertaining dialog. She is so quick-witted, outrageously funny, and she holds your attention from start to finish. This is one of her most perceptive books. It’s right on the mark. It goes to the heart of the ever-present man—woman debate, and it weighs in on the side of truth, of what works, and of what it takes to build a satisfying relationship that will last a lifetime. She speaks strongly to men, and she speaks just as strongly to women. As a ‘seasoned’ clinical psychologist, I find her ideas highly stimulating and unusually helpful.”

–**Neil Clark Warren, Ph.D., founder of eHarmony.com**

“Who isn’t in search of the Proverbs 31 man? This book is for singles who want to know what character qualities are a must in a mate; for men who are confused by our culture and want to know what kind of man God esteems; and for women, tired of pressuring their men, who want to find the freedom of being a helper and soul mate. Michelle McKinney Hammond helps us discover the power of a Proverbs 31 couple who is willing to do it God’s way.”
