Talking Pictures: Images and Messages Rescued from the Past By Ransom Riggs

With the candid quirkiness of *Awkward Family Photos* and the confessional intimacy of *PostSecret*, Ransom Riggs's *Talking Pictures* is a haunting collection of antique found photographs—with evocative inscriptions that bring these lost personal moments to life—from the author of the *New York Times* bestselling illustrated novel *Miss Peregrine's Home for Peculiar Children*. Each image in *Talking Pictures* reveals a singular, frozen moment in a person's life, be it joyful, quiet, or steeped in sorrow. Yet the book's unique depth comes from the writing accompanying each photo: as with the caption revealing how one seemingly random snapshot of a dancing couple captured the first dance of their 40-year marriage, each successive inscription shines like a flashbulb illuminating a photograph's particular context and lighting up our connection to the past.

About the Author

Ransom Riggs is the *New York Times* bestselling author of *Miss Peregrine's Home for Peculiar Children*, the writing of which was largely responsible for his current addiction to old photo collecting. Rather than seek treatment, Ransom channeled his compulsion into the compiling of *Talking Pictures*, a book he hopes will make you cry, and perhaps find a coveted spot on your coffee table. He lives in Los Angeles, where you can often find him hunting for old snapshots at the monthly Rose Bowl Swap meet.
