**The Vice Guide to Sex and Drugs and Rock and Roll** By Suroosh Alvi, Gavin McInnes, Shane Smith

What started out as a few Montreal drug addicts scamming welfare make-work programs back in 1994 has become a global empire of hedonism known simply as VICE. From a 16-page newspaper about punk bands and violence to stores, a clothing line, VICE Films, VICE TV, VICE Records, viceland.com, etc., VICE has become much more than a way for three guys to get laid. It's become a lifestyle, a degrading and disgusting lifestyle of sex and drugs and rock and roll and death. This book is a collection of the irreverent, hilarious and downright scary gonzo journalism that brought three losers from the crack houses of Le Plateau to the deluxe apartments of Manhattan.
