Book of Five Rings By *Musashi Miyamoto*

There are various Ways. There is the Way of salvation by the law of Buddha, the Way of Confucius governing the Way of learning, the Way of healing as a doctor, as a poet teaching the Way of Waka, tea, archery, and many arts and skills. Each man practises as he feels inclined. It is said the warrior's is the twofold Way of pen and sword, and he should have a taste for both Ways. Even if a man has no natural ability he can be a warrior by sticking assiduously to both divisions of the Way. Generally speaking, the Way of the warrior is resolute acceptance of death.

Editorial Review

Amazon.com Review

To learn a Japanese martial art is to learn Zen, and although you can't do so simply by reading a book, it sure does help--especially if that book is *The Book of Five Rings*. One of Japan's great samurai sword masters penned in decisive, unfaltering terms this certain path to victory, and like Sun Tzu's *The Art of War* it is applicable not only on the battlefield but also in all forms of competition. Always observant, creating confusion, striking at vulnerabilities--these are some of the basic principles. Going deeper, we find *suki*, the interval of vulnerability, of indecisiveness, of rest, the briefest but most vital moment to strike. In succinct detail, Miyamoto records ideal postures, blows, and psychological tactics to put the enemy off guard and open the way for attack. Most important of all is Miyamoto's concept of rhythm, how all things are in harmony, and that by working with the rhythm of a situation we can turn it to our advantage with little effort. But like Zen, this requires one task above all else, putting the book down and going out to practice. --*Brian Bruya*

Review

"Embraced by many contemporary readers as a manual on how to succeed in life." - "Library Journal"
