**Diablo III: Book of Cain** By Deckard Cain, Blizzard Entertainment

An exceptionally illustrated fiction for millions of Blizzard fans, *Diablo III: Book of Cain* is the source book for Blizzard Entertainment's Diablo franchise and forthcoming Diablo III game. Book of Cain is the must-have illustrated history of the Diablo universe as told by the games' core narrator Deckard Cain.

In Blizzard Entertainment's Diablo® and Diablo II, the recurring character of Deckard Cain delivered quests, accompanied the brave adventurer, and, as the last of the Horadrim, provided a link to the greater history of the world of Sanctuary. Ever mysterious during these appearances, Cain hinted at a larger story, providing snippets of it in his notebook. *Diablo III: Book of Cain* is Cain's formal record of this greater tale—a dissertation on the lore of the Diablo universe, told by one who has witnessed and participated in some of the epic events that make up the eternal conflict between the High Heavens and the Burning Hells.

Designed as an “in-world” artifact from the Diablo universe, *Diablo III: Book of Cain* includes Cain’s revealing meditations, as well as dozens of sketches and color artworks depicting the angelic and demonic beings who wage constant war with one another.

## **Editorial Review**

### **Review**

Insight did an outrageous work with this book; it's actually one of the prettiest looking videogame books I've ever opened. From start to finish the book will offer information about the world of Sanctuary, its complete history, biographies from the people that live in it, and the demons that threaten it. To accompany every biography, there is a gorgeous illustration made by Blizzard. Insight's website doesn't do justice to this book; every page looks quite different to what it looks like in the site. It has been a completely different experience from what I was expecting.

Insight managed to capture the dark atmosphere of the series in this 147 page book, and will give new players and fans of the series an amazing source for Diablo's story. I definitely recommend this book for every single fan of the Diablo series, you will not regret spending your cash in it, and even if you are not a fan of the series, you should check what this book has to offer. —*Just Push Start*
