**Mississippi Bridge** By Mildred D. Taylor

**Another powerful story in the Logan Family Saga and companion to Mildred D. Taylor's Newbery Award-winning *Roll of Thunder, Hear My Cry*.**

**A day of conflict and tragedy.**

Jeremy Simms watches from the porch of the general store as the weekly bus from Jackson comes through his town. His neighbor Stacey Logan and Stacey's brothers and sister are there to see their grandmother off on a trip. Jeremy's friend Josias Williams is taking the bus to his new job. But Josias and the Logans are black, and in Mississippi in the 1930s, black people can't ride the bus if that means there won't be enough room for white people to ride. When several white passengers arrive at the last minute, the driver sends Josias and Stacey's grandmother off the bus. Then comes a terrifying moment that unites all the townspeople in a nightmare that will change their lives forever.

**“Well written and thought provoking, this book will haunt readers and generate much discussion.”—School Library Journal**

### Editorial Review

From Publishers Weekly

The Newbery Medalist reprises the Logan family in telling a powerful story about the segregated South of the 1930s. Ages 7-11.

Copyright 1992 Reed Business Information, Inc.

From School Library Journal

Grade 5-10-- Drawing once again upon her father's stories, Taylor has created a harsh, disturbing tale of racism in Mississippi during the 1930s. Told from the viewpoint of Jeremy Simms, a ten-year-old white boy who aspires to be friends with the black children of the Logan family, this is the story of a rainy day, an overloaded bus, and the destiny of its passengers after the driver has ordered the black travelers off to make room for latecoming whites. Telescoping the injustices faced by blacks on a daily basis into one afternoon drives home the omnipresent effects of racism with a relentless force. This is an angry book, replete with examples of the insults and injuries to which the African-American characters are subjected. Jeremy, the only white character to acknowledge this unfairness, is brought to task by his father for "snivelin'" after the Logans. The book's climax is a catastrophic accident in which the bus crashes off a bridge, killing the passengers. When Jeremy asks a black rescuer how such a thing could happen, he is told, "the Lord works in mysterious ways." This is a disturbing explanation, not for its implication that the white passengers are being punished for the sins of their race so much as for the logical extension that the black characters were saved because they were kept off the bus in the first place. Well written and thought provoking, this book will haunt readers and generate much discussion. --Anna DeWind, Milwaukee Public Library

Review

"Taylor, a powerful storyteller, again combines authentic incidents to create a taut plot.... Her cry for justice always rings true". -- Kirkus Reviews

### Users Review

**From reader reviews:**

**Manuel Thomas:**

This book untitled Mississippi Bridge to be one of several books which best seller in this year, this is because when you read this book you can get a lot of benefit onto it.
