Organic Chemistry (with CengageNOW 2-Semester Printed Access Card) (Available Titles CengageNOW) By John E. McMurry

Succeed in your course with the help of this proven best-seller! John McMurry's ORGANIC CHEMISTRY is consistently praised as the most clearly written book available for the course. In John McMurry's words: "I wrote this book because I love writing. I get great pleasure and satisfaction from taking a complicated subject, turning it around until I see it clearly from a new angle, and then explaining it in simple words." Through his lucid writing and ability to show the beauty and logic of organic chemistry, McMurry makes learning enjoyable. The highest compliment that can be given to a chemistry book applies to McMurry: It works!

Editorial Review

Review

"McMurry's greatest strength to this reviewer is the level of presentation, the emphasis on physical principles. I think the questions in McMurry both in text and end of chapter are excellent."

"The material has a far greater biological focus, which is done successfully. This is a big plus in my mind. . . . the chemistry is presented with a high degree of accuracy. There are certainly no major problems."

"The chapter problems are excellent and challenge students at many levels. Chapter summaries are well written. The 'Why This Chapter' lead-ins are superb."

"The author has always produced a well written book that is easy to read. That is a comment I have heard from both other colleagues and students alike. This has always been a general strength of the text. I was happy to see the inclusion of the 'Focus On' topics as supplements to the chapter's material to excite the students about other topics in organic chemistry related to the chapter material. I think these are quite informative for the students."

"We have been using McMurry's text for the past several years here at UA, and I am, therefore, quite familiar with it. The general strengths include the readability and a wealth of good problems."

About the Author

John E. McMurry received his B.A. from Harvard University and his Ph.D. at Columbia University. He is a Fellow of the American Association for the Advancement of Science, and an Alfred P. Sloan Research Foundation Fellow. He has received several awards, which include the National Institutes of Health Career Development Award, the Alexander von Humboldt Senior Scientist Award, and the Max Planck Research Award. In addition to **ORGANIC CHEMISTRY**, he is also the author or coauthor of **ORGANIC CHEMISTRY: A BIOLOGICAL APPROACH**, **FUNDAMENTALS OF ORGANIC CHEMISTRY**, **THE ORGANIC CHEMISTRY OF BIOLOGICAL PATHWAYS**.

Users Review

From reader reviews:

Shirley Kistner:

Book is to be different for every single grade. Book for children until finally adult are different content. As it is known to us that book is very important normally. The book **Organic Chemistry (with CengageNOW 2-Semester Printed Access Card) (Available Titles CengageNOW)** ended up being making you to know about other understanding and of course you can take more information. It is very advantages for you. The guide **Organic Chemistry (with CengageNOW 2-Semester Printed Access Card) (Available Titles CengageNOW)** is not only giving you a lot more new information but also being your friend when you really feel bored. You can spend your current spend time to read your e-book. Try to make relationship while using book **Organic Chemistry (with CengageNOW 2-Semester Printed Access Card) (Available Titles CengageNOW)**. You never feel lose out for everything in the event you read some books.

Leonard White:

Your reading 6th sense will not betray anyone, why because this Organic Chemistry (with CengageNOW 2-Semester Printed Access Card) (Available Titles CengageNOW) guide written by well-known writer who knows well how to make book that can be understand by anyone who else read the book. Written in good manner for you, dripping every ideas and composing skill only for eliminate your personal hunger then you still doubt Organic Chemistry (with CengageNOW 2-Semester Printed Access Card) (Available Titles CengageNOW) as good book not only by the cover but also by content. This is one reserve that can break don't determine book by its include, so do you still needing another sixth sense to pick this specific!? Oh come on your looking at sixth sense already said so why you have to listening to one more sixth sense.

Michael Auten:

Do you like reading a book? Confuse to looking for your selected book? Or your book has been rare? Why so many concern for the book? But virtually any people feel that they enjoy intended for reading. Some people likes studying, not only science book but also novel and Organic Chemistry (with CengageNOW 2-Semester Printed Access Card) (Available Titles CengageNOW) as well as others sources were given understanding for you. After you know how the truly amazing a book, you feel wish to read more and more. Science reserve was created for teacher or even students especially. Those books are helping them to put their knowledge. In additional case, beside science guide, any other book likes Organic Chemistry (with CengageNOW 2-Semester Printed Access Card) (Available Titles CengageNOW) to make your spare time a lot more colorful. Many types of book like this.

Belinda Hamilton:

Some individuals said that they feel fed up when they reading a book. They are directly felt the item when they get a half portions of the book. You can choose the particular book Organic Chemistry (with CengageNOW 2-Semester Printed Access Card) (Available Titles CengageNOW) to make your own reading is interesting. Your own skill of reading skill is developing when you including reading. Try to choose very simple book to make you enjoy to see it and mingle the feeling about book and reading through especially. It is to be initial opinion for you to like to open up a book and learn it. Beside that the publication Organic Chemistry (with CengageNOW 2-Semester Printed Access Card) (Available Titles CengageNOW) can to be your friend when you're sense alone and confuse in doing what must you're doing of this time.
