**The Musician Says: Quotes, Quips, and Words of Wisdom** From Princeton Architectural Press

*The Musician Says* is an all-access backstage pass to the world of singers, songwriters, composers, and instrumentalists—all those who have a relationship with the Muse and have experienced the sacrifices, satisfactions, and frustrations it brings. You'll hear from an eclectic group that spans centuries and genres, from Mozart to Mick Jagger, Louis Armstrong to Jay Z, Dolly Parton to Lady Gaga, and many more. Paired like unlikely guests at a backstage party, this unruly crew riffs about the blessings and curses of the musician's life. This collection of intriguing and provocative quotations will remind anyone who has dreamed of playing Carnegie Hall (or maybe just mastering three chords) that the creative process bridges time and place, and that music is indeed a universal language.
