### The Sheik's Convenient Bride (The War, Love, and Harmony Series) (Volume 6) By Elizabeth Lennox

The only reason Kylie had come back to the palace was to prove to everyone that she was over Tarek. Her girlish infatuation was a thing of the past. So how did she end up dining with the sheik? And why was her body still vibrating when he kissed her? Why couldn't she simply put her infatuation in the past where it belonged? Tarek took one look at the fascinating beauty and knew that Kylie was the woman he was going to have for his wife. He didn't want to marry, but the terms of the peace treaty were absolute. So if he had to do it, why not do it with the lovely, feisty and sexy woman that he couldn't get out of his mind?

### **Editorial Review**

#### **About the Author**

Elizabeth Lennox writes contemporary romance novels featuring sheiks, business tycoons, royalty, and other sexy rich men. Her male lead characters are smart, driven and determined, but can still be sensitive and vulnerable. Elizabeth's female lead characters come from a variety of backgrounds. They are strong, intelligent and independent, while still feminine and caring. Although she wanted to be a romance novelist since the eighth grade, that dream only became a (paid) reality for her in 2009 and a full time job in 2012. Along the way, she received a BS in History and held different jobs in the real estate, government consulting, and financial industries. All during that time, though, she was always writing, using her personal experiences, dreams, and travels throughout the United States, Europe and the Caribbean as backdrops for her stories. To date, she has written over eighty books and sold over one million copies. Her free novellas have been downloaded over 2.2 million times since 2013 and she has been featured in the USA Today™ best-sellers list. Elizabeth lives in Virginia with her husband and two children. Their home is just outside of Washington, D.C., and many of her novels are set in this area.
