**The Sling and the Stone: On War in the 21st Century (Hardcover)** By -Colonel Thomas X. Hammes USMC-

Ongoing events in Iraq show how difficult it is for the world's only remaining superpower to impose its will upon other peoples. From Vietnam, French and US, to Afghanistan, Russian and US, to Israel and the Palestinians, to Somalia and Kosovo, recent history is replete with powerful military forces being tied up by seemingly weaker opponents. This is Fourth Generation War (4GW), and Colonel Thomas Hammes, United States Marine Corps, tells you all about it. The author explains asymmetrical warfare (4GW) as the means by which Davids can defeat Goliaths. "4GW (Fourth Generation Warfare) is the only kind of war America has ever lost. And we have done so three times - in Vietnam, Lebanon, and Somalia. This form of warfare has also defeated the French in Vietnam and Algeria, and the USSR in Afghanistan...As the only Goliath left in the world, we should be worried that the world's Davids have found a sling and stone that work." - Chapter 1, The Sling and the Stone: On War in the 21st Century The War in Iraq. The War on Terror. These types of "asymmetrical" warfare are the conflicts of the 21st century - and show how difficult it is for the world's only remaining superpower to battle insurgents and terrorists who will fight unconventionally in the face of superior military power. This change in military conflict may seem sudden. But in his new book, The Sling and the Stone: On War in the 21st Century, Thomas X. Hammes, United States Marine Corps, details how "Fourth Generation Warfare" or "4GW" has evolved over decades, with powerful military forces from economically advanced nations being defeated by seemingly weaker opponents.

#### **Mary Sexton:**

Exactly why? Because this The Sling and the Stone: On War in the 21st Century (Hardcover) is an unordinary book that the inside of the publication waiting for you to snap that but latter it will distress you with the secret the idea inside. Reading this book close to it was fantastic author who all write the book in such amazing way makes the content interior easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you because of not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of advantages than the other book have such as help improving your proficiency and your critical thinking approach. So , still want to hold up having that book? If I had been you I will go to the guide store hurriedly.

#### **Patti Wooden:**

Does one one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Try to pick one book that you find out the inside because don't assess book by its cover may doesn't work at this point is difficult job because you are frightened that the inside maybe not because fantastic as in the outside look likes. Maybe you answer can be The Sling and the Stone: On War in the 21st Century (Hardcover) why because the amazing cover that make you consider with regards to the content will not disappoint a person. The inside or content is actually fantastic as the outside or even cover. Your reading sixth sense will directly make suggestions to pick up this book.

#### **Bradley Cox:**

As a student exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading

very seriously. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The Sling and the Stone: On War in the 21st Century (Hardcover) can make you truly feel more interested to read.
